They that be vnder venus as womē or gentyl women. maydens pon
mynstrelles dancers singers or musycians hauīynge instrumētes of
with wowars & all suche ioyous plontes as be governed by ven⁹ this p
shall do well in the wynter & excede in them delectacions out of mesure

ugh noble pryncys

Of them that be vnder mercury

oll men as philosophers maisters of arte: bokepriters ymageours payn
nocates peynours: and other suche lyke engenyd people. they shal nat
inwynter for they shal be in perill and they shal be hem lyenge & slouth
l theym business. In prime tyme the colerikes and they that medle with
fwarre ought to beware of yeerly maters. in the somer they
the frēdys and lykewise in herueste they shal be well fortunate

Of them that be vnder luna

o that be gouerned be luna as legatz: pesēs. mariners fissthers fowlers.
s In the winter and in prime tyme they shall suffer hayne in fondry ma
n the somer they shall endeuer thēself to grete voyages: in the which they
sper well and in herueste they shall be fortunable.

¶ moste noble & myghty emperour of Rome Maximylian.

ere of the moste redoubted emperour Maximilian shal haue his begyn
n the beginynge of marche next comynge in folowynge the astronomers
ne good fortune but he is in ieopardy of feuers and he ought to beware
be nat hurte in his arme in his first moneth or eerly mor
ā from the xvth. day of marche of this present yere M.cccc.xvij. yal
many frendes and specially grete kynges myghty pryces and cōduytours
of armes for Jupiter reuolued is in to the house of mars. And because
n⁹ is in her exaltacīō. and the mone reuolued in to the place of the sonne
e shall he be fortunable and pfyter by ladyes wherethrough he shalbe sore
d to mariage and shal haue diuers cogitacyōs of matrimoniall matters
dommyōs and possessiōs shal haue prosperite yff that he treat of any ac
at⁹: or feat⁹ of warre mars promyseth hym veri good fortune.

Of the moste crysten kynge of frāce Frāceys

kynge of frāce Frāceys whose reuolucīō is begon in septēber last past &
ye to septēber next cōmynge this present yere he shal make many frem
as lōge as he may he shal abstayne hym from warre & shal exercite hym
ble games & feat⁹ of chyualry yf he be cōpelled to warre he shal haue the
e of his enemyes thrugh the faythfull helpe of his noble kn
tenues he shall haue ryght or none but he ought to take hede in the begin
ryght. & the beginynge of July and the ende of auguste

Of the moste myghty & faythfull kynge of englonde Henry.

moste mighty & faithfull kynge of englonde Henry shal haue venus for
e the first part of the yere & mars for the other parte and he shall enclyne
f to passe the tyme in honour amonge fair ladyes in moste noble maner

of the yere Also he ought to beware [illegible]

Of the moste noble kynge of Spayne Charles

The reuolucō of the moste noble kynge shall haue his beg[inning] gr[eate]
ende of fe uery yere this present yere ♄ shall haue mercury for his [lord] ☿
which is reuolued vnto the place of iupiter ♃ sol ☉ that maketh l[ord] ☿
♄ prompt in all his busines ♄ all thynges honorable shal haue pros[perite]
[illegible] vnderstōd that the eclipses of the son[ne] [and] mones
[illegible] for it touched a place of his yuth but because it was
shall do hym the lesse noyaunce

The dukedome of brabande

The duchye of brabāde shal haue good spede ♄ be lusty[e] in al thing[es]
shall treate moche of thynges belongynge to the profite of the lāde with[out]
of noble men ♄ shalbe with out warr except i some place that ley in the
de ♄ southside of brabāde which shal suffre domage thrugh men of
of sharpe sckeuce they shal not be free which shall procede thrugh ouer
enchaunginge of bloode

The Erldom of Flanders

The contye of flaūders mars occupyenge the significatour of the
because that mercury out of the house of mars mans beholdeth shall
[illegible] her maters but in some thynges they ought to haue drede
infirmites ♄ also of trēpestions weder of the ayre which myght do ha[rme]

Of the contye of hollande

The cōtye of hollande shalbe haue eye wet in all theyr busynesses wit[h]
ge ♄ good fortune but in some places of this cōtye they ought to ta[ke]
lest mars fynde them not ordeyned ♄ than to do them grete dam[age]

Of the duchy of londe of ghelder

The londe of gelder this yere shal haue some singuler brunnes whi[ch]
mysfortune by some grete gentyll men ♄ also discencion amōge the co[m]
ple ♄ shall abyde grete sufferaūce thrugh marcyall busines ♄ they sh[all]
domage by grete tempest amonge them beste ♄ fruyte

Of the londe of luke

The londe of luke shall behaue thē wysely in all theyr busynesses thi[s]
[illegible] shall prosp in profyte ♄ grete wynnynge of their fruyte ♄ her
[illegible] gaytenynge to warre it shal haue a grete sufferaūce ♄ s[o]

Finis
